Sir:

In reply to the Office Action mailed August 15, 2002, the period for response being extended by the attached two-month Petition for Extension of Time, please amend the above-identified application as follows.

**IN THE CLAIMS**

Please amend the claims as follows. A copy of the marked-up original claims is attached to this Response showing the changes, as required by amended 37 C.F.R. §1.121.

- 8/1
1. (Thrice Amended) A program-guide-display controlling apparatus comprising:  
means for displaying a plurality of program guides on a display unit in a matrix form by using one of the ordinate and the abscissa as a channel number axis and another one as a time axis, and  
means for distinguishing a time period containing a program designated by a user from other time periods displayed on a display unit.
